Clear and Harmless as Water.

NATTANS' CRYSTAL DISCOVERY

FOR THE HAIR. A PERFECTLY clear preparation in one bottle, as easily applied as water, for restoring to Gray Hair its natural color and youthful appearance; to eradicate and prevent dandruff; to promote the growth of the Hair and stop its falling out. It is ENTIRELY HARMLESS, and perfectly free from any poisonous substance, and will therefore take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent us from many of our most prominent citizens. In everything in which the articles now in use are objectionable, Crystal Discovery is perfect. It is warranted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. It does not soil the clothes or scalp, is agreeably perfumed and makes one of the best dressings for the Hair in use. It restores the color of the Hair "more perfectly and uniformly than any other preparation," and always does so in from three to ten days, virtually feeding the roots of the Hair with all the nourishing qualities necessary to its growth and healthy condition; it restores the decayed and induces a new growth of the Hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the Hair a pleasing and elegant appearance.

We call especial attention to the fact that a limited number of small trial bottles can be had by those wishing to try it. You will notice that in purchasing this discovery, you are convinced by the actual merits of the article.

ARTHUR NATTANS, Inventor and Proprietor, Washington, D. C. For sale in Columbia by Dr. C. H. MIST, and Druggists generally. Nov 24

One beech tree in Indiana, from which ten men have been hanged by Judge Lynch, is still alive, with its boughs "swinging" vigorously in the wind.

Special Notices.

DISEASED DIGESTION.—If chronic indigestion affected the stomach only, it might be more easily borne; but it gives rise, inevitably, to many other diseases affecting the liver, the nerves, the bowels and the brain. Biliousness, nervous tremors, constipation, headache, and terrible mental disturbances, are among its usual accompaniments. In fact, every organ, every fibre of the frame sympathizes with the debilitated and diseased stomach. What is needed in such a case? Clearly an alterative and invigorant; and among medicines of that class HOSTETTER'S STOMACH BITTERS is, beyond all comparison or estimate, the best. More purgatives only deprive the system of the little strength that disease has left it. Salivants have the same effect. The whole internal organism has gone wrong, and can only be put right, and the stimulating elements predominated, but are qualified and modified by anti-bilious aperients and blood-purifying components. Now, the truth is—and the medical faculty as well as the public know the fact—that Hostetter's Bitters contain every ingredient requisite for the cure of dyspepsia and all the ailments of body and mind which it involves. The benefits proved in so many thousands of instances that it seems almost idle to repeat the statement.

The great tonic rallies exhausted nature, from whatever cause effaced, and permanently recruits the vigor of the nerves, the muscles and the brain. Its effect upon the brain is to give strength to the will and precision to the judgment, and to banish dependency and that infirmity of purpose which generally accompanies bodily weakness.

Burnett's Flavoring Extracts.—The superiority of these extracts consists in their perfect purity and great strength. They are warranted free from poisonous oils and acids. Joseph Burnett & Co., Boston, manufacturers and proprietors. For sale by all grocers and druggists.

Nature gives us Teeth, but she does not preserve and purify them. The must be done with fragrant Rozodent. The dental bone and its enamel casing are made invulnerable to all destructive influences by the daily use of this beneficent preparation.

What every Horseman Wants.—A good, cheap and reliable Liniment. Such an article is Dr. Tobias' Horse Liniment. It not only cures all Lameness, Cuts, Colic, Sprains, &c., warranted better than any other. Sold by the Druggists. Depot, 10 Park Place, New York.

Opiumania is an insane thirst for intoxicating liquors. Habitual dram-drinking produces it. Yet each Alcoholic Bitter vender recommends that a dram of his run and root-juice be taken thrice a day, to prevent sickness! For all bodily ailments, and as a protection against the causes of disease, take that all-sufficient antidote, Dr. WALKER'S VIGORATING Tonic, the pure essence of rare medicinal herbs, unadulterated by distilled poison.

Carbolic Salve.—The most recommended by leading Physicians and the President of the New York Board of Health, as the most wonderful healing compound ever known. Gives instant relief to burns; cures all kinds of sores, cuts and wounds; and the most invaluable remedy for all purposes. Sold everywhere, at twenty-five cents. John P. Henry, sole proprietor, 8 College Place, New York.

Svapnia is Opium purified of its coloring and poisonous properties, discovered by Dr. Bigelow, Professor of Botany, Detroit Medical College. A most perfect anodyne and soothing opiate. John Farr, Chemist, N. Y.

Christiana's Hair Dye is the safest and best. It corrects the bad effects of inferior dyes, while the black or brown tints it produces are identical to nature. Factory, 68 Maiden Lane, New York.

Pratt's Astral Oil.—Safest and best illuminating Oil ever made. Does not take fire, explode, if the lamp is upset or broken. Over 150,000 families continue to use it, and no accidents or injury description have occurred from it. Oil House of Charles Pratt, established 1770, New York.

The Purest and Sweetest Cod Liver Oil in the world is Hazard & Caswell's, made on the sea-shore, from fresh selected livers, by Caswell, Hazard & Co., New York. It is absolutely pure and sweet. Patients who have once taken it prefer it to all others. Physicians have decided it superior to any of the other oils in the market.

Jouvin's Inodoros Kid Glove Cleaner restores soiled gloves equal to new. For sale by druggists and fancy goods dealers. Price 25c per bottle. F. C. Wells & Co., New York.

Winkley's Phlegmen is an established, warranted remedy for a Painful Menstruation, and equally efficient as a Nervine Antidote in all cases of nervous excitement, stomach and sleeplessness in male or female. Sold everywhere for \$1.00 a bottle. Morgan & Risley, Druggists, New York, General Agents.

Clear Complexion and a Beautiful "Bloom of Youth," a harmless beautifier of the skin. Will remove all discoloration, tan, freckles and sunburns. The use of this delightful toilet preparation cannot be detected. For sale by all druggists and fancy goods dealers. Depot, 5 Gold street, New York.

Mrs. Winkley's Soothing Syrup.—It relieves the little sufferer from pain, cures wind colic, regulates the stomach and bowels, corrects acidity, and during the process of teething it is invaluable. Perfectly safe in all cases, as millions of mothers can testify. April 3
